| 3127 | 27" |

4120 White Pad 20"

For buffing very soft finishes or polishing soft waxes on wood floors. Effectively removes scuffs and black heel marks, enhancing floor appearance. Delivers a cost-effective way to produce beautiful-looking floors. Provides consistent performance while assuring high-quality, reproducible results.

5320 Blue Cleaning Pad

For general scrubbing and cleaning applications blue floor pads will remove surface dirt and grime to get your floor back in shape before re-coating or buffing.

3620 Pink Eraser Pad

Burnishing pads for light scuff removal to renewing that wet-look finish. Engineered with fibers that are durable enough to clean and use again, yet resilient enough to conform to the floor surface for better coverage. This pad-to-floor coverage equates to less labor time and overall performance use of the pad. These pads help to prolong re-coating applications and maintain a high facility image.

7220 Black Pad 20"

No matter how severe the floor is you are stripping, this pad will work for you. Each floor stripping pad is durable, long lasting, and designed with open construction to allow finish and stripping solutions to flow through and to resist clogging. For floors with an extreme wax buildup, this pad will cut away old finish quickly with it's tough, porous construction

4220 Yellow S/Speed Pad

Burnishing pads for light scuff removal to renewing that wet-look finish. Engineered with fibers that are durable enough to clean and use again, yet resilient enough to conform to the floor surface for better coverage. This pad to floor coverage equates to less labor time and overall performance use of the pad. Norton Thermal Burnish ultra high speed burnishing floor pads help to prolong re-coating applications and maintain a high facility image.

06200 Gorilla Pad 20"

GORILLA® -The Original Blended Natural Fiber Floor Pad... that gives a "wet-look" shine. Gorilla® floor pad is made with a blend of natural fiber and polyester. This blend uses properties of both fibers to create the most unique and respected floor pad in the world. To clean it, just brush away dried wax with it's die cut center. It will not glaze over

Pads, Sandpapers & Diamonds

MFPAD-19 Micro-Fiber Pad 19

Micro-fiber carpet spin bonnets are manufactured with the same quality fiber as the rest of the Norton micro-fiber products. These pads are super absorbent and can be used on both sides for longer lasting use before laundering. Recommended on low speed machines of 175-350 RPM.

2985200 Ruff Green/White Pad

Ruff® Brush-Pad is unbeatable for auto-scrubbing and disk scrubbing of abrasive floors, grouted tile floors, terrazzo, poured non-slip floors, concrete floors and other uneven floors that would normally require a brush. * Ruff® is light weight, flexible, easily switched for regular floor pads and is much less expensive than a brush driver block. * Aggressive but not abrasive. * Serged to secure the edges. * A pad that goes where only brushes used to go on rough surfaces that would tear up a floor pad. * The porous materials allow liquids to pass through to the surface for use with autoscrubbers. * Thousands of brushes laminated to a floor pad driver.

73-20 Emerald Hy-Productivity Pad

The most abrasive stripping pad in the ACS Scrubble® Products line, Emerald Hy-Pro Pads are tear resistant and long wearing. Highly aggressive, a wide open mesh construction allows solutions to flow through these 5/8" pads without loading or build - up. These pads are best used with 175-300 RPM machines.

2202 Steel Wool Pad

Needled Floor Pads are ideal for polishing and buffing uneven floors. These pads are built tougher and stronger than conventional floor pads; they will not tear, shred or fray at the edges no matter how rough the floor's surface

Bassine Rotary Brush

Sandscreen Crystal 20"

Superscreen discs are used primarily on hardwood floors. The discs sand down the old finish so that new finish can be applied. This is known as the "scour method" of refinishing a floor and is most often used on gym floors. Superscreen discs come in grits ranging from extremely coarse to extremely fine. All our discs are manufactured with waterproof resins & silicon carbide abrasive, assuring you of the finest quality discs you can buy.
